RECENT EXPERIENCE

NBBJ / *Architect + Design Principal (Jul 2006 - Current)*

Currently working nationally and internationally, serving as Studio Design Leader and design manager with project experience in mixed-use, corporate + commercial, higher education, and healthcare practices. Specialization through conceptualization, visualization, advanced modeling + computation, and contemporary design research. Maintained licensure in Ohio & Michigan.

Sotamaa / *Designer (Apr 2006 - Jun 2006)*

Part of the design and production team for Sotamaa's finalist entry in the annual Young Architects Program Competition organized by PS1 and MoMA. Also, worked as part of a project team for a competition in Mexico City through advanced modeling, materials research and visualization.

Cadwell + Murphy Architecture / *Designer (Jun 2005 - Aug 2005)*

A collaborative designer on a local multifamily housing / development project as a submission for the 2005 Progressive Architecture Awards. Primary focus through materials research, development drawings, and digital modeling.

360 Architecture / *Designer (Jun 2001 - June 2005)*

A design team member for projects ranging from multifamily residential and commercial typologies to various major, minor, and collegiate level sporting associations. Work spanned all phases, and included competition entries, feasibility studies, production + presentation drawings, renderings and design research.
